

INTRODUCTION TO FINDING AID BY PERSON/FAMILY

The Rutland Historical Society Finding Aid by Person/Family includes names for those persons for which we have identified material and represents only a small percentage of the total material at the Society. If you do not see the name you are looking for, contact us and we can do some further digging. You might also check the Rutland Directories which are online <http://www.rutlandhistory.com/RUTLANDDIRECTORIES.asp> or other online sources such as the Congregational Church Records (East and West Parish) <http://www.rutlandhistory.com/ChurchRecords1.asp> or Town Reports from Rutland and West Rutland <http://www.rutlandhistory.com/TOWNREPORTS.asp> .

The Bio/Obituary file is primarily made up of newspaper clippings or a few sheets of information. Tucker Research also consists of newspaper clippings. Materials from the finding aid that are available online are:

Historically Speaking - http://www.rutlandhistory.com/hist_speak.asp

Moments in History - <http://www.rutlandhistory.com/MomentsInHistory.asp>

Image Galleries - <http://www.rutlandhistory.com/mystery.asp>

Quarterly Magazines - <http://www.rutlandhistory.com/quarterlies.htm>

Much of the other material listed is in document boxes and could consist of just a single item to several folders of information. We have numerous other collections which are not yet included in this listing, such as the Society's large genealogy file, court records, many collections of photos, school records, and artifact collections.
