Lost Buildings of Old Rutland Revisited: A Calendar

When it comes to historical architecture, Old Rutland offers some of the finest examples. This quarterly goes month by month, splitting the year to explore twelve historical buildings that occupy Old Rutland, from their erection, various uses, and in some cases, their final destruction. As an added bonus, this piece includes a full calendar with historical images of every building discussed at the beginning of the quarterly for you to enjoy. This is an interesting piece that would be enjoyed by anyone who is interested in historical structures.
