

Rutland Historical Society Quarterly
Volume VI No. 1
Henry Knox's Cannon Trek, 1775-6

This issue contains photographic journalism of the reenactment of the Henry Knox Cannon Trek by high school boys from Woodstock, Hartford, Poultney, Proctor, and other local towns, between November 10 and December 5, 1975. The Rutland Vo-Tec students created a replica cannon that was then hauled by high school boys from Brattleboro to Fort Ticonderoga.
