## Report of Superintendent.

*To the Honorable General Assembly of the State of Vermont:*

GENTLEMEN—I beg leave in compliance with the law to respectfully submit to your honorable body the report of the affairs of the State Prison for the two years ending June 30, 1902.

Appended to the report will be found statements showing the financial transactions of the prison, tables showing the number of convicts discharged by expiration of sentence, discharged conditionally by the Governor after expiration of minimum sentences, delivered to sheriffs, delivered to Supreme Court, pardoned conditionally, transferred to the insane asylum and deaths; also, statistics relating to the convicts, with the rules, regulations and by-laws for their government and discipline, together with a list of convicts in prison, with the date and length of their sentences.

### FINANCIAL.

The accompanying statements show the expense and income of the prison from July 1, 1900, to June 30, 1902.

Statement "A" shows the account of the prison with the State.

Statement "B" shows income and expenses in their several departments.

The statements will show that the income of the prison exceeds the expenses by \$458.33. The excess of income over expenses is not as large as for the preceding two years, owing to the fact of higher cost of provisions, and that the number of days labor on contract was 776 days less than for the previous two years. The reason of this is owing to a breakdown in the power which occasioned a loss of two and one-half days time for the convicts on the contract, and to an unusual number of prisoners who could not work on contract for various reasons, such as cripples, invalids, mentally unfit and old age. Also there is about \$1,200 due the prison for boarding jail prisoners and transporting them to and from court, which are not to be considered as running expenses of the prison, and which have not yet been audited by the State Auditor.

### IMPROVEMENTS AND REPAIRS.

During the two years some improvements have been made, and some repairs have been necessary at an expense of about \$650, which were paid for out of the income of the prison, viz.: an extension to the electric lighting plant, new

shafting and pulleys for the shop, new parts for engine to increase speed, repairs on the large engine and the dynamo engine, caused by break-downs.

#### APPROPRIATIONS.

I think it necessary that some appropriation be made for various improvements that are much needed here and for particulars will refer you to the Directors' report.

#### DAILY AVERAGE.

The daily average of prisoners for the two years has been 145 8-9. The minimum number during the time was 131, the maximum number was 157. At the present time, July 1, 1902, the total number is 149.

#### HEALTH.

More of the inmates have been sick and confined in the hospital than usual, although nothing is to be reported in the way of sickness of an epidemic nature.

Six inmates have died during the two years, viz.: two of acute tuberculosis, one of cancer of stomach, two of heart failure and one while undergoing an operation for stoppage of the bowels. Four inmates have been conditionally discharged on account of ill health. Two of these, Oliver Osborn and Roland V. Stoodley, were suffering from lung trouble; Wilbur E. Perrigo from cancer, and Rose Fournier from spinal trouble.

For further particulars, see statistics and the report of the prison physician, Dr. John Densmore Brewster.

#### DISCIPLINE.

The usual good discipline has been maintained. Much good is derived from the act entitled "An act to aid and encourage discharged convicts," also the "Indeterminate Sentence" has great incentive for good conduct as they expect conditional discharge or parole at the expiration of their minimum term. Of the 98 convicts discharged, 79 gained all the time and money which could be done by good conduct. Of the remaining 19, 15 were punished only once.

#### INSANE.

During the two years five inmates have been adjudged insane, and transferred to the Vermont State Hospital for the Insane at Waterbury. One of them was so improved that he was discharged from the hospital on expiration of his sentence.

#### DEATH SENTENCES.

At the present time there are three prisoners under death sentence. August 28, 1900, Charles Doherty was sentenced by the Supreme Court to be hanged on the second

Friday in March, 1901. On February 20, 1901, a stay of execution was granted him. He was taken to the Supreme Court at Montpelier May 27, 1901, and returned to prison May 29, 1901, and again taken to said Supreme Court October 31, 1901, when a new trial was denied and date of execution set for the first Friday in December, 1901, and returned to prison on November 1, 1901. Stay of execution was granted by the Supreme Court until the second Tuesday in May, 1902, and again the Supreme Court granted a stay until the first Tuesday in November, 1902.

January 30, 1901, Frank Shaw was committed to prison under sentence by Supreme Court to be hanged the first Friday in February, 1903.

July 20, 1901, Frederick Eastwood was committed to the prison under sentence by the Supreme Court to be hanged on the second Friday in March, 1903.

#### EDUCATION.

The evening school has had to be suspended on account of the hospital being occupied by sick inmates, the hospital being the only available safe place for school purposes about the institution. School books are furnished the prisoners in their cells to all who wish to study.

#### RELIGIOUS INSTRUCTION.

Rev. J. K. Fuller, who was appointed chaplain in April, 1899, still fills the position and gives the best of satisfaction. He is very popular among the inmates. They very much appreciate his services, and all enjoy going to chapel to hear him.

A large addition of new books has been made to the prison library, in which Mr. Fuller is very much interested, and has a new catalogue well under way.

For particulars regarding his work, I will refer you to his report.

#### CONCLUSION.

In conclusion I wish to express my sincere thanks to Governor Stickney and the Board of State Prison Directors for their valuable assistance and advice in the discharge of my duties.

To Keeper E. D. Harpin and the other subordinate officers of the prison I tender my grateful acknowledgments for the faithful discharge of their duties.

Miss S. J. Durkee continues to fill the position of matron with her usual ability.

Respectfully submitted,

EDWIN W. OAKES,  
Superintendent.
