Rutland's Mayors

This issue devotes itself to the galaxy of Mayors who have served Rutland. Pictures of the previous six Mayors of 1949-1982 are featured on the cover, their names listed within.

Opening with a brief biographical sketch of the first Mayor, John Abner Mead, elected in 1893 with an accompanying picture, it includes a total listing of Rutland's Mayors with photos and biographies, terminating with Wayne N. Temple in 1903; a grand total of 28 Mayors.

Two Book Reviews conclude the issue. The first is called *A Practice of Mountains*, featuring Andre Mead Lawrence, at the time the world's fastest woman skier, reviewed by Kyran McGrath, himself the author of *Woodstock Anthology* and former owner of the Inn at Long Trail at Pico Peak.

The second, an in depth review of *Vermont, A Bicentennial History* written by Charles T. Morrisey is authored by F.P.E.
