Rutland County Stamp Club

The cover of this issue celebrates the 25th Anniversary of the Rutland County Stamp Club organized in 1934. Formed by Cassie Belle Mason, it set a record as the longest existing club in Vermont.

Originally restricting membership to Rutland County, it later opened the field to members living in other states, and expanded its popularity by hosting annual exhibitions.

The issue's content covers the growth of the club, listing all of the Club Presidents over the years, including several photos of members. Two "covers" celebrating both the Silver and Golden Anniversary of the Rutland County Stamp Club add interest.

A fine foray into the world of stamps for Rutland Philatelists.
