### **Italian Directory - 1921**

**The complete title of this issue is the “Directory-Fifth Grande Masquerade Ball given by Lodge C. Colombo, I.V. No.414 Order Sons of Liberty 1921.”**

**In working on a project on documenting the Italian Community in Rutland, members of the Society came across this Directory for the masquerade ball. One of the most successful it attracted 600 people including the mayor.**

**The content of this issue contains thirteen pages of those who attended, listed in alphabetical order. It is interesting to note that a number of descendants of those attendees are still part of the Rutland community.**
