Faces of the Past II: A Calendar

“Faces of the Past II A Calendar, was compiled by Jacob Sherman. This current calendar features images and biographies of Rutland individuals from the 18th and the 19th Century.

The first, featured on the Cover, is Solomon Foot (1802-1866) who served in the Congress from 1850 until 1866, considered a crucial ally of President Lincoln.

All of the figures played an important role in Rutland. They include two from the marble industry; two ministers; two railroad titans; an architect and a free black man. An interesting collection of men who served their community in different aspects over the years.
