A 50 year Chronology of the Rutland Historical Society

“A 50 year Chronology of the Rutland Historical Society” is exactly what it proclaims. Beginning with a list of early State Historians in 1794 it includes:

Birth of the Rutland Historical Society 1969

Activities in the Early Years 1970-1989

The 1990’s

The New Century 2000 and beyond

The Society at age 50 (2019)

The Future

A list of all Presidents of the Rutland Historical Society

An interesting review of the origins and growth of the Society.
