

Vol. 51, No.3 2021

The Roaring 20s in Rutland

This quarterly is the Rutland Historical Societies annual calendar issue. All of the pictures/ ads come from the Rutland Herald, during the year 1921. It's interesting to see what items were on sale or being advertised as entertainment. Each month has its own theme. I especially liked the month of July, which advertised Douglas Fairbanks in the "Mark of Zorro" Talk about an oldie, but goodie.
