

RHSQ Vol. 52, No.1 2022

## **Rutland Fire Department Memories**

**Rutland Historical Society member and former Rutland City Fire Fighter, Ray Mooney writes this quarterly. He gives a brief overview of the origin of the fire dept., but most of the quarterly is devoted to stories that Ray tells with humor and attention to detail. Ray can do this because he was there and he experienced it all. This is a must read for lovers of fire history.**
