

INDEX OF NAMES IN RUTLAND HERALD ARTICLES – LAST HALF 20TH CENTURY

This is an index of names of people who are the subject of or mentioned in Rutland Herald articles. Clippings of the articles were collected by the Herald over a several year period, mostly in the 2nd half of the 20th century. They are not dated, unless indicated in pencil. The index is alphabetized so you can scroll through or search. To request a copy or scan of an article, please contact us at 802-775-2006, email to president@rutlandhistory.com, or stop by the Rutland Historical Society at 96 Center Street, Rutland, VT on a Saturday 1-4 PM.
