

Evergreen Cemetery Records for Veterans

These records were compiled in the 20th century. The latest death date recorded is 1953, so veterans who died after 1953 are not included. The number of veterans for each of the following wars that were recorded are:

American Revolution: 6

War of 1812: 3

Civil War: 298

Spanish American: 28

World War I: 63

World War II: 20

Korean War: 1

Unknown: 3

Note: The following pages contain individual cemetery cards for war veterans buried in Evergreen Cemetery in Rutland City. The files are incomplete and in the same order (alphabetic) as in the Rutland Historical Society collection item used for this presentation. The latest deaths recorded are in the early 1950s, so veterans dying after then are not in this document.
