THE CAIRN

Foreword

As the soft clouds drift slowly by, they leave only their cool shadow on the earth below. When they pass, others move in to take their place. We, too, will pass by, to be replaced by those who will follow us, leaving this CAIRN as a sign of our passing.

We came as Freshmen, each anticipating the future - willing to be molded and guided toward our goal. As Sophomores we developed a sense of belonging, a growth toward maturity. Junior year brought with it a decision - "Is this my goal?" Now as Seniors this goal is in close proximity. When we step over the threshold of tomorrow, we will reach it.

Editor

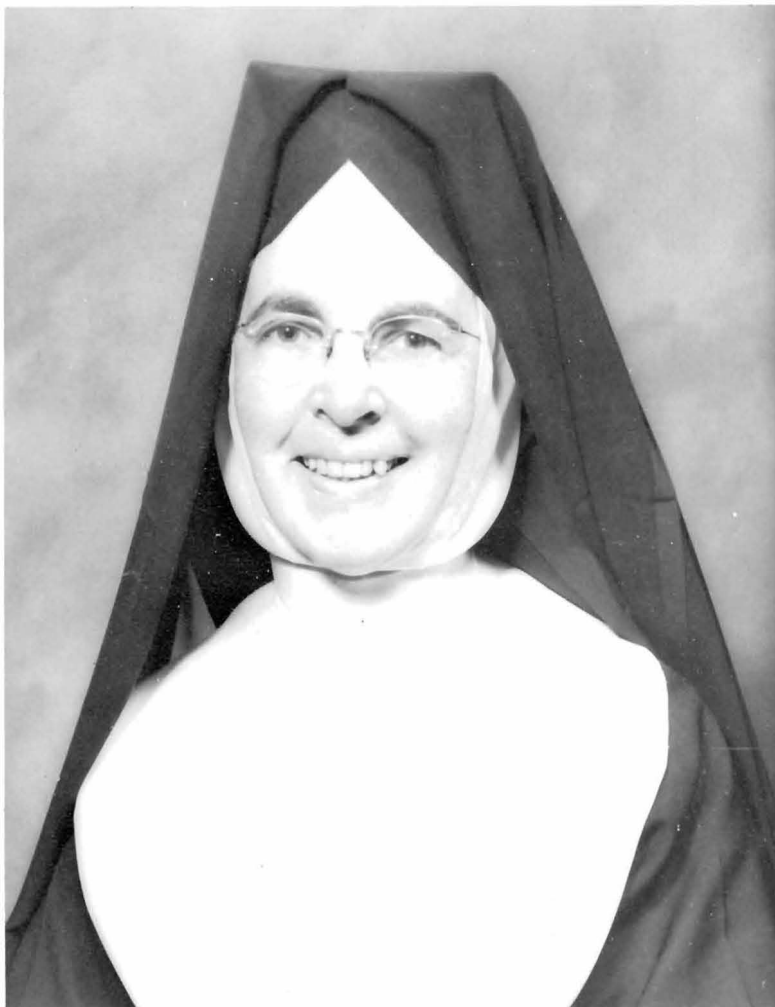

The graduating class of 1969 has a harvest of happy memories to enrich the years ahead, among them that of a woman who gave of herself unselfishly to its needs, who shared knowledge with each member and sought to understand them as individuals through four years of college life. In acknowledgement of her dedication the class of 1969 of the College of Saint Joseph the Provider dedicates the Cairn to Sister M. Imelda.

OUR PRESIDENT

SISTER M. IMELDA, S.S.J.

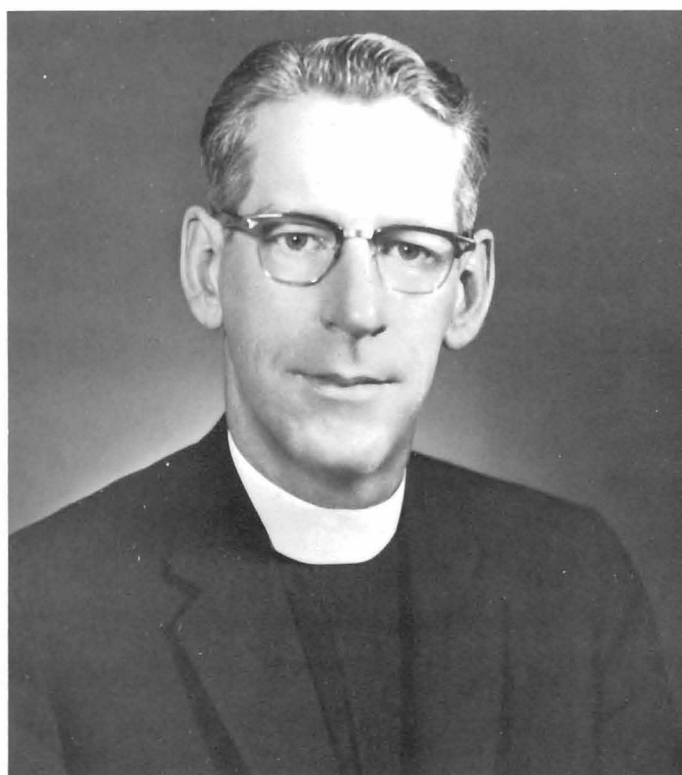

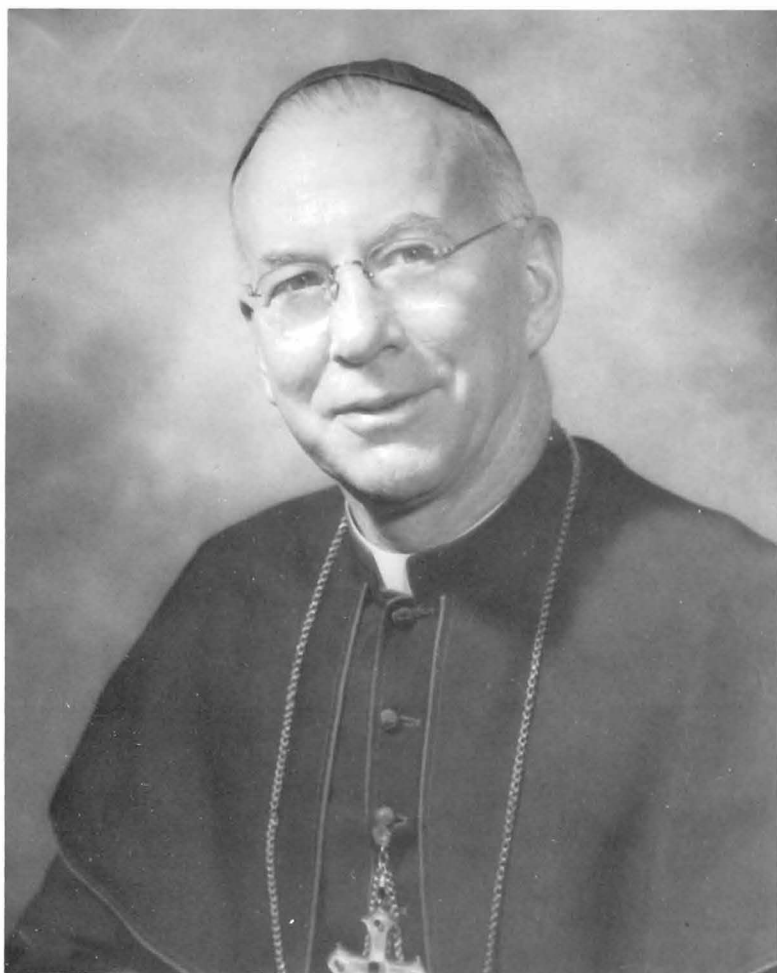

Congratulations to each member of the Class of 1969. The hopes we focused on you four years ago have now become reality. May the skills, the attitudes learned, the fulfillment you have experienced, enrich your plans for the future.

Be assured of our continued concern for your success on both personal and community levels. Today's world needs your ideals, your dedication, your service in love of God and your fellowman. May your contributions in the classrooms of today help your students to accept in a Christian spirit the responsibilities to be met in the "school of life" tomorrow.

Sister Mary Imelda
