Memories are very precious possessions. Many times they are what binds us to those things we have already experienced in life; things we have laughed over, things shared, things cried about, things kept to ourselves, things loved.

It has been said that "a picture paints a thousand words." It is our hope that the 1971 Cairn will say at least that much and more to all of you.

Assistant Editor

President's Message

Congratulations and best wishes to all!

What changes the Class of '71 has seen! Since the fall of '67 physical facilities have literally sprung up, enrollment has increased, curriculum has expanded, and faculty changed. But in the midst of all the progress our goals have remained constant.

May the opportunities offered at CSJP to learn, to accept responsibility, to value truth, goodness, and beauty, continue to enrich your lives as you enter a life of service to others.

May the understanding and love which you extend to others return to you a hundredfold. I can wish you no greater joy than the occasion to service others in true Christian Love.

Sister M. Imelda
